Subject: next board mtg

could you start to confirm with the board mtg people for this upcoming mtg?  
Go with the same cast of characters.

I would like to get things to them way in advance if possible.

1. Chris Younger stuff
2. Salary overview from Nick
3. Facilities overview from Nick
4. Financials for last quarter from Nick
5. Client strategy issues from brewster

I am sure there will be more.

thanks!
